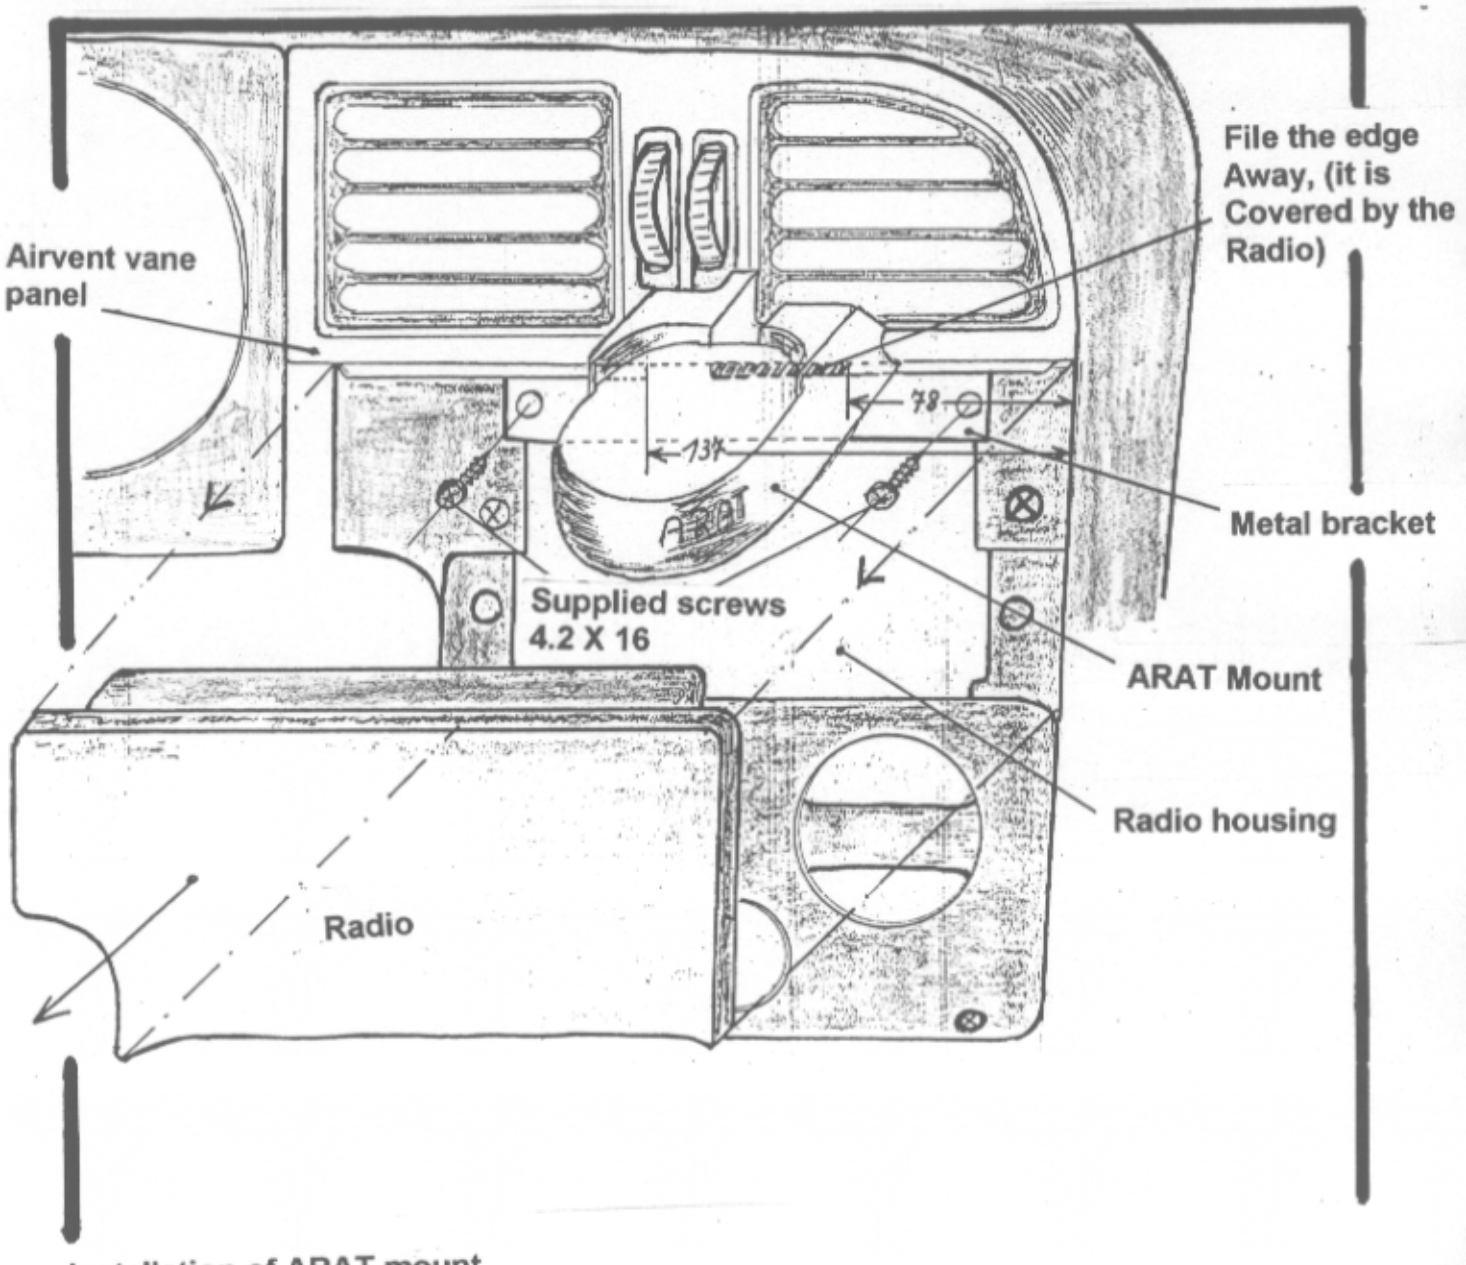
ARAT Navigation mount

Type: Nissan Primera
2000 onwards

Part No: NS1090.2

ARAT GmbH
Spezialhalterungen
für Autotelefone u.-Navigationssysteme



Installation of ARAT mount

1. Remove the radio from its housing
2. Place the navigation mount to the contours of the dashboard, and mark the area to be removed from the plastic lip at POINT 1
3. Remove the ARAT mount and file away the area that you have marked
4. Place the ARAT mount to the contours of the dashboard and secure the mount with the supplied screws through the metal bracket into the material of the dashboard (Pre-drill O 2 mm)
